Disclaimer & Legal Information

1. Risk Disclosure

Trading stocks, options, futures, and other financial instruments involves substantial risk of loss and is not suitable for all investors. Past performance is not indicative of future results.

You should carefully consider whether trading is suitable for you in light of your circumstances, knowledge, and financial resources.

You may lose all or more than your initial investment. Do not trade with money you cannot afford to lose.

2. No Investment Advice

The information and tools provided by Precision Trading Tools LLC are for educational and informational purposes only. Nothing on this website or in our products constitutes investment advice, financial advice, trading advice, or any other sort of advice.

Our indicators are technical analysis tools. They do not recommend specific trades, securities, or investment strategies. Any trading decisions you make are your own responsibility.

Precision Trading Tools LLC is not a registered investment advisor.

3. No Guarantees

Precision Trading Tools LLC makes no guarantees regarding the accuracy, completeness, or reliability of any information or tools provided. We do not guarantee that our indicators will be profitable or that they will perform in any particular way.

Trading results vary. The indicators are tools to assist in analysis — they are not trading systems and do not guarantee profits. All indicators are provided “as is” without warranty of any kind.

4. Limitation of Liability

In no event shall Precision Trading Tools LLC, its owners, employees, or affiliates be liable for any direct, indirect, incidental, special, consequential, or punitive damages arising out of or related to your use of our products or services.

By purchasing and using our indicators, you acknowledge that you understand the risks involved in trading and accept full responsibility for your trading decisions and results.

5. Intellectual Property & License Terms

All indicators, documentation, and content provided by Precision Trading Tools LLC are protected by copyright and other intellectual property laws. All scripts and associated documentation remain the intellectual property of Precision Trading Tools LLC.

Purchasing an indicator grants you a personal, non-transferable, single-user license. By using any of our products, you agree to the following terms:

Single-User License: This license is granted to one individual and may not be shared, transferred, or distributed.

No Redistribution: You may not copy, share, sell, publish, or distribute any script or documentation in any form.

No Modification for Resale: You may not modify any script and sell or distribute it as your own product.

No Reverse Engineering: You may not reverse engineer, decompile, or create derivative works for distribution.

Violation of these terms will result in license termination and may result in legal action.

6. Third-Party Platforms

Our indicators are designed for use with ThinkOrSwim and TradingView platforms. Precision Trading Tools LLC is not affiliated with TD Ameritrade, Charles Schwab, TradingView, or any other trading platform or broker.

We are not responsible for platform outages, data accuracy, or any issues related to third-party services.
